THE ARMED FORCES RINGS

★ THIS IS A ★
SPECIAL ★
NOTIFICATION

If you consider yourself a proud American, then read this document carefully. The Danbury Mint is thrilled to present an exclusive selection of distinctive men's military rings. Supplies are extremely limited, however, so you must act fast!

Dear Friend,

The Army, Navy, Air Force, and Marine Corps—four branches of service that, united, fight to make the world a safer place. Their members are the elite—citizens that have chosen to give up the comforts of the everyday. Some remain stationed here in our homeland. Others travel to faraway lands to battle for freedom and democracy. Together, they form the most powerful fighting force in the history of mankind—the US Armed Forces.

It is with great honor that the Danbury Mint presents to you bold jewelry that pays homage to these extraordinary groups of patriots. Introducing *The Armed Forces Rings*. Choose your favorite!

Whether you or someone you know has served in the military, or you just consider yourself a proud patriot, you are sure to appreciate this magnificent selection. Each ring is generously plated in 14kt gold and features the unique emblem of an Armed Forces branch in its center, surrounded by 12 fiery diamonds. The ring features raised-relief patriotic designs on either side, and the branch motto is engraved inside the band.

CHOOSE YOUR
FAVORITE!

U.S. MARINE
CORPS RING
SEMPER FI

This bold ring represents a tradition of respect and nobility that began in 1775 and stands firm today. A proud icon of the Marine values of honor, courage, and commitment, it gallantly displays the corps initials USMC on its front and the motto Semper Fi—meaning “always faithful”—inside the band. In its center is the world-renowned Eagle, Globe, and Anchor which symbolizes the Marines’ commitment to defend our nation—in the air, on land, and at sea.

US NAVY
RING
VALOR & GLORY

“Valor and Glory.” These words, familiar to our courageous men of the sea, are emblazoned inside the band of this unique ring. Coupled with the title US NAVY engraved on the ring’s front, this phrase is sure to make the wearer beam with pride. The focal point of this ring, though, is its centerpiece—the traditional Navy emblem. A representation of an American eagle upon a shield before two crossed anchors, this insignia is instantly recognizable as the badge worn upon an officer’s cap.

HONORING THE VALOR OF TRUE AMERICAN HEROES.

The Air Force Seal—an American eagle atop a thunderbolt-encrusted shield—forms the centerpiece of this handsome ring. Representing the striking-power of our brave Airmen, it, along with the engraved initials USAF beneath it, is bound to demand the respect of anyone nearby. Faithfully symbolizing the Air Force Core Values of “integrity first,” “service before self,” and “excellence in all we do,” this ring will become the pride of any true Airman. The Air Force motto, “Fly Fight Win” is etched inside the band.

U.S. AIR FORCE
RING
FLY FIGHT WIN

The strength of the U.S. Army soldier is rarely embodied as masterfully as it is in this rugged men’s ring. Etched on its front is the title U.S. Army, and “This We’ll Defend” is engraved inside the band. Serving as the piece’s center is the world-famous army emblem—a mighty eagle atop a shield, arrows clutched in one talon, an olive branch in the other. Symbolizing America’s desire for peace, but readiness to fight, it is a true reminder to all who see it why America’s Army is the greatest in the world.

U.S. ARMY
RING
THIS WE’LL DEFEND

8. True. There are over 20 million veterans living in the US today, and an unprecedented number of enthusiasts who show their pride through memorabilia, apparel and jewelry.

7. False. Since 1868, the Eagle Globe emblem unit 1955. Anchors insignia has been part of the Marines' uniforms, but didn't become their official emblem until 1955.

6. True. The Lewis and Clark Expedition was organized by the United States Army.

5. True. In 1960, The USS Triton SSRN-586, powered by two nuclear reactors, completed the first submerged trip around the globe.

4. False. In 2011, Marine troops returned to Tripoli in order to prevent Muammar Gaddafi's forces from performing air strikes on Libya's rebels. This mission was named Operation Odyssey Dawn.

3. True. The US Army Signal Corps created an aeronautical division on August 1, 1907. This later became the Air Force we know today.

2. False. Until 1941, the eagle on the Navy crest had faced left. It was changed in 1941 to face right with heraldic tradition in which the right side represents honor and the left dishonor.

1. True. President Roosevelt was awarded the Medal of Honor for his service as a US Army Colonel in the Spanish-American War. He is the only US President to ever receive this honor.

Answers to the quiz:

How many did you get right?

**VENTURE INTO A WORLD
OF RICH HISTORY
AND PROUD TRADITION...**

True or False?

- 1** President Theodore Roosevelt was the only US President to be awarded the Medal of Honor.
- 2** The head of the eagle on the Navy's emblem has always been turned to the right.
- 3** The US formed an aeronautical division (a precursor to today's Air Force) only three and a half years after the Wright brothers flew the world's first airplane at Kitty Hawk in 1903.
- 4** The line in the Marines' Hymn "From the Halls of Montezuma to the shores of Tripoli" refers to the Battle of Derne in 1805. The Marines have not returned to Tripoli since.
- 5** The USS Triton SSRN-586 became the first vessel to make a complete submerged circumnavigation of the world.
- 6** The US Army was the branch of the military first assigned the task of exploring and mapping the United States.
- 7** In 1868, the famous Eagle Globe Anchor insignia became the official emblem of the US Marines.
- 8** Armed Forces memorabilia is more popular now than ever.

(answers on other side.)

Nothing symbolizes the proud history and tradition of the Armed Forces better than its unique branch emblems.
